Submission to Future Melbourne Committee

City of Melbourne, Council Meeting Room, Melbourne Town Hall Administration Building
11 November 2014, 5.30pm – Meeting No.46
Agenda Item 6.8: Ministerial Planning Referral ID-2014-4, 555 Collins Street Melbourne

Southbank Residents Group does not support this application.

Southbank residents are passionate about protecting their scarce public open space and this development will impede on the amenity of the south bank of the Yarra river at a time of the day when residents and visitors to that area will be enjoying themselves during their lunch breaks, and deserve to have access to sunlight in this space.

Endorsing this application can lead to a dangerous precedence of telling developers the prohibition of overshadowing the Yarra is open for negotiation.

Southbank Residents Group trust that Councilors will also concur and protect the amenity of Southbank by rejecting this application.
